

Official launch of Resucamp 2015

A new RESURRECTION FEST edition approaches and after the good reception of **RESUCAMP** during the last two years being sold-out, we have decided to repeat and again with the collaboration of [EMP](#), one of our sponsors. The Resucamp will be located in the same place than last year, very close to the fest entrance and near to Celeiro's beach. We are offering:

- 24h access control
- 24h reception and information point
- Private security
- Services
- Hot-water showers
- Bar service with terrace
- Wifi area
- Availability of power plugs for electronic devices

In this edition, unlike last year, the RESUCAMP ticket **will allow access for 5 days** (from 12:00 h of Wednesday 15th July until 12:00 h of Monday 20th July) and **will be distributed in camping plots of 2 or 4 people**.

There will be a limited launch offer for the first places of 25 € per person (plus fees). The reservation implies the online payment of the deposit and the rest will be paid in the entrance. But like every year, there will be a free camping option.

In our website www.resucamp.resurrectionfest.es you will find the link to do the reservations, the rules and a section with frequent asked questions.
